# Defence Lawyers Wanted

**This is a fantastic opportunity for any  
Criminal Trial Lawyer in private practice!**

- Secure a License in your Regional Court and maintain your independent practice;
- Handle the criminal and complex POA cases yourself;
- Hire and supervise a Paralegal to handle the minor cases, or handle them yourself;
- Tie into our general marketing initiatives and receive referrals for your Region;
- Become part of the Team and share in the common knowledge, referrals & resources;
- Develop a 'focussed practice niche' just like you've always intended to do;
- Decrease your dependence on Legal Aid and increase your cash revenue stream;
- Solidify your reputation as the "go-to Lawyer" for Driving Offences;
- Enjoy your new practice, content in the knowledge that you can opt out of the License at any time (although we are quite certain that, once you're in, you will absolutely want to stay).
